

1. Fiction

(Clears throat)  
Oh!  
Where is he?

2. Naked Little Girl

Dee!  
Dee dee dee dee dee dee dee dee dee  
Dee dee dee

We stride the village streets and walk about the hill, talking with the Hill People  
Let me lock the door and take the telephone off the receiver  
And open the window while you lie there waiting  
It'll be a long night, filled with things we need

They fall from your hips quietly, starting down around your thighs, then gone  
You slip out of them, and become a naked little girl  
Become a naked little girl  
It is important that those suffering from negative emotions  
Become a naked little girl

Nobody does it better, dee dee dee  
Then into bed, and for a long moment... nothing happens  
Dee dee dee  
Dee

It is important, and yet so few of us enjoy what you are about to hear  
It is important, let me lock the door naked little girl  
You slip out of them and become a naked little girl  
Those suffering from... okay, it is important.  
Sleep forever naked close to me  
Sleep forever  
Close to me, close to me  
And for a long moment  
Nothing happens

Have you any other tests I can take?  
I'm ready to learn!

6. Giant Love Ball

Saying yes to love, wherever we find it, will make our love grow and grow  
Love has no limits, no beginning and no end  
But can always expand, like a balloon. Or like a ball.  
You and I will be like love balls.  
Ah.

I am a woman.  
I am tender.  
Love balls.  
Do I lose his respect for being so wild?  
Yes I do.

I am too fond of you to allow such a thing to happen

I'm like a bright giant love ball  
Bouncing around so free  
A bright giant love ball  
Happy to be me  
I'm like a bright giant love ball shining for all to see  
I am special, I am special, I am me

So let us dance, oh let us dance  
Be happy be happy let us dance  
So let us dance, oh let us dance  
Let us dance and laugh and sing and shout for joy  
Just crossing over that line of death  
Yeah that's great

I'm like a seed that I planted  
So young and so small  
Needing to be watered  
So I'll grow strong and tall  
Friendship is my water, my sun the warmth of love  
I will grow and grow and grow and grow and grow

So let us dance, oh let us dance  
Be happy be happy let us dance  
So let us dance, oh let us dance  
Let us dance and laugh and sing and shout for joy

I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love  
I'm in love, I'm in love, I'm in love, I'm in love with a wonderful aaaaaaaaahhhhhh

10. Pick Up

You'll be bored and you'll be scared  
Wow, you look like the kind of girl who would own an afghan.  
Oh. What do you mean?  
Oh. Oh! Ah... Oh, well... oh!

Oh! He's so big, oh he's pulling me

Now you say you're lonely  
Don't worry,  
He knows where he's going  
Wuh oh, you bet he knows  
Woo! Yeah yeah, yeah yeah,  
Woot  
Come here, jolly,  
There aren't any Indians here  
Well you're going to have to hurry up,  
We can't stop  
It's amazing

What do you mean? Oh. Oh.  
Huh? Oh! Oh no, uhm... Yeah.  
Oh, tee hee, ahh... oh... well, uh, I... oh. Ah.  
Isn't anyone interested in my feelings? Oh but it isn't all right  
Be careful, be careful or you'll hurt yourself. Happy birthday, Ned

Nothing succeeds in this world like imagination.  
A guy with imagination I don't remember.

So, that about sums it up... the car was on fire, I was able to escape,  
but my wife was trapped, I couldn't get her out... she... died...

11. Everyone Alone

Warten und hoffen und hoffen und warten  
Sehnen und Träumen und hoffen und warten  
If you would only play my game, I know  
Oh no, ha ha ha ha, about you  
Oh stop stop, I'll do anything, I promise, just stop making my head hurt

It was an island best fit for goats, I love your nature  
But we clung there too and got along, I love  
Just the goats and weeks on our rocky little island, we love  
Feed me evil  
Monkey? Monkey? Monkey? Monkey?  
Die, die, touch me, die

4. Partners

Ja, Ich...  
The tapper comes behind his partner,  
And takes a look at the head that's going to be tapped  
Not forcing it, no  
The tapper comes alive in his hands  
All over the top of his partner's head  
Don't talk  
Love

Will the person being tapped experience his head  
Forcing my words between my clenched teeth, yes  
Move all over your partner's head  
Take over  
We sympathize

The person who is going to be slapped closes his eyes and experiences his face  
The person who is going to do the slapping comes alive in his hands,  
looks at his partner's face  
Don't talk, oh

Actually you can not forget what has happened to you  
So, don't trust your memory

He begins to slap his partner's face from the inside  
Slap with lots of vitality all over the area

I am 20 years old and a junior in college  
Lawyer, baby, okay

I'm not asking you to agree with me  
Monkey?

If you don't feel well, see a doctor  
Or learn to read, instead of getting married

7. Goodbye

It is important  
Goodbye, I ah goodbye  
There are no tomorrows  
Sure that time will lose these bitter memories  
And I'll find that there is something I could say:

Is there a new baby in your home?

Because of that lust,  
The brothers became both criminals and civilized  
Goodbye

Through patricide, they became lovers  
Hurt me  
Are you sure?  
Been outdoors lately?

You're going to have to live by yourself for a while.  
You're going to have to live by yourself for a while.  
You're going to have to live by yourself for a while.  
Well, that figures.

Please

Yippie  
(yodelling)

At the beginning of each day, things turn out that way  
Play that violin so blue oh blue  
Ooooh, oh blue so blue  
And who could blame them...  
Goodbye
